INDIA

THE FASTEST EMERGING MARKET FOR STAINLESS STEEL

INDIA IS THE SECOND LARGEST GROWING ECONOMY IN THE WORLD AFTER CHINA. WITH A NEW PROGRESSIVE GOVERNMENT, THERE IS A POSITIVE ENERGY AND ENVIRONMENT FOR BUSINESS IN INDIA. INDIA HAS A DISTINCT COMPETITIVE ADVANTAGE OF LABOUR AND LOWER COST OF PRODUCTION.

The Associated Chambers of Commerce and Industry of India (ASSOCHAM) has projected that the domestic steel industry would grow by 10 to 12% against the National Steel Policy (NSP) target of 6.9% growth by 2012

Stainless Steel demand in India is forecasted to grow at 7% per annum, while the annual growth in the rest of the world is expected to be 4%

INDINOX

THE BEGINNING OF A JOURNEY

The year 2010 was a remarkable year for the stainless steel industry. It was a year that brought together the steel manufacturers from all across the globe on a common platform.

INDINOX 2010 was a gala exhibition that saw participation from both Domestic and International companies organized by ISDO, with a vision to promote stainless steel and increase its consumption through varied applications.

The event was inaugurated by the Prime Minister of India and then Chief Minister of Gujarat, Shri Narendra Modi. His vision for the future of India riding on the back of strong stainless steel industry in the country clearly reflected in his motivational speech.
