

The Second Super Austenitic Stainless Steel and Nickel-base Alloy International Seminar

September 21-22 , 2017, Beijing, China

Host: Stainless Steel Council of China Special Steel Enterprises Association (CSSC)

Sponsors:

Taiyuan Iron and Steel (Group) Co., Ltd

Outokumpu

Nippon Yakin Kogyo Co., LTD

Jiangsu Daming Metal Products Company Limited

Zhejiang JIULI Hi-Tech Metals Co., Ltd

Nickel Institute

International Molybdenum Association

Jiangsu Wujin Stainless Steel Pipe Group Co., LTD

Yongxing Special Stainless Steel Co., LTD

CITIC-CBMM Microalloying Technology Center

Super austenitic stainless steel and nickel-base alloy are the key materials for high-end equipment manufacturing industry. In order to promote the development and application of those materials, CSSC plans to host “**The Second Super Austenitic Stainless Steel and Nickel-base Alloy International Seminar**”. The seminar will focus on the

development and production, manufacturing, application and evaluation of super austenitic stainless steel and nickel-base alloy which are used in petroleum and petrochemical industry, nuclear power and conventional power, clean energy, ship-building, ocean engineering and environmental protection industry.

Join us at this event to communicate with delegates and speakers, learn advanced production and application experience, promote the development of super austenitic stainless steel and nickel-base alloy together.

Conference Registration: September 20th The lobby of
Novotel Beijing Peace Hotel

The Agenda of the Conference:

Welcome Speech 08:30-09:00 September 21th

The Invited Speakers:

The morning session of September 21th

1. 9:00-9:30 The development and expect of materials in energy industry

Dr, Tian Zhiling CISRI

2. 9:30-10:00 Technical Development of Super Austenitic Stainless Steel and Nickel-base Alloy

Dr. Wang Kun Nippon Yakin Kogyo Co.,LTD,Japan

3. 10:00-10:20 Investigation of the hot corrosion behaviors of Sanicro™ 25 - a potential candidate for superheater and reheaters in high efficiency AUSC fossil power plants

Dr. Bi Yanyan Sandvik

4. The development of TISCO' Ni-based alloy in AUSC boiler of power plants.

Dr. Wang Yan TISCO

10:40-10:55 Coffee Break

5. 10:55-11:25 The Research Development of Nb-containing Ni-Base Superalloys for 700°C Advanced Ultra-Super-Critical Power Plants

Prof. Xishan Xie University of Science and Technology Beijing

6. 11:25-11:45 Application analysis and case introduction of the latest nickel- based alloys

Dr. Tsutomu Fukui Daming

11:45-12:05 Forum

12:05-13:30 Buffet Lunch

The afternoon session of September 21th

7. 13:30-13:50 Progress on Haynes 282 in AUSC application

Dr. Dior Chen Haynes International Inc.

8. 13:50-14:10 Study and comparison of precipitation phase of

super austenitic stainless steel and Ni-Mo based alloy

Prof.Song Zhigang CISRI

9.14:10-14:40 Research and Development of a New Austenitic Heat-resisting Steel SP2215 for 620-650 °C USC boiler Superheater/Reheater Application

Prof.Xishan Xie University of Science and Technology Beijing

10.14:40-15:00 Research on the Steam Oxidation Resistance of Super304H and TP347H Heat Resistant Stainless Steel Used for Coal Fired Boiler Tube

Dr. Wei Zhang CITIC Metal Co., Ltd.

11.15:00-15:20 The development of Yongxing advanced austenitic stainless steel

Chen Genbao Yongxing Special Steel

15:20-15:35 Coffee Break

12.15:35-15:55 The Performace of Super Austenitic Stainless Steel and its Application in the Severe Environment.

Dr. Sun Changching Outokumpu

13. 15:55-16:35 The influence of heat treatment to the construct and performance of N08811

Song Jianxin General Engineer Wujin

14. 16:15-16:35 The calculation and study of segregation in

alloy C-276

Prof.Song Zhigang CISRI

15.16:35-16:55 The Development of Super Austenitic Stainless Steel 654SMO

Prof. Jiang Zhouhua Northeastern University

16. 16:55-17:20 Successful use of high performance austenitic stainless steel

Nicole Kinsman Technical Director IMO A

17.17:20-17:40 Fushun Special Steel's technical ways to improve the purity and homogenization of nickel-base alloys

Prof.Wang Zhigang Technical Director Fushun Special Steel

17:40-18:00 Forum

18:00 Welcome Dinner

The morning session of September 22th

18.8:30-8:50 The Progress of Special products for the development of new industries in China

Zhao Xin Baosteel

19. 8:50-9:10 GH3535 Alloy Seamless Pipe for Thorium Molten Salt Reactor

Wang Baoshun Jiuli Group

20. Material selection and development of Ni-based alloy for chemical heat exchangers

Prof.Hu Xiaoyan Huanqiu Contracting and Engineering

21.9:30-9:50 Evolution of New Nickel Alloys and Their Roles
in Material Selection

Dr. Helena Alves VDM

22.09:50-10:10 The corrosion and protection of I flue gas
desulfurization equipment in power plant

Prof.Liang Lei Shanghai University of Electric Power

10:10-10:25 Coffee Break

23. 10:25-10:45 The Development of TGOC27314N

Dong Pan TISCO

24.10:45-11:10 The performance demand and future application
of Nickel-based Alloy

Dr. Gary Coates Senior Advisor Nickel Institute

25.10:10-11:30 Development of Ni-based corrosion resistant
alloy N06625 extrusion tube

Zhu Xiongming Yongxing Special Stainless Steel Co.,LTD

26. 11:30-11:50 The Application of AL-6XN in chemist industry

Zhang Weituo Technical Advisor ATI

11:50-12:10 Forum

12:10 Buffet Lunch

Conference Secretariat

Miss.Emma Liu

Mr. Zhensheng Dong

*Stainless Steel Council of China Special Steel Enterprises Association
(CSSC)*

Tel:86-10-65133322-1500,1510. 86-10-65224503

Tel&Fax:86-10-65230073

Email: lyp@cssc.org.cn dzs@cssc.org.cn

Conference Venue and Hotel Reservation

Novotel Beijing Peace Hotel (★★★★) will be the venue of “The Second Super Austenitic Stainless Steel and Nickel-base Alloy International Seminar” and our recommended hotel, located in the “Golden” center of downtown Beijing at the corner of Wangfujing and Jinyu Hutong. Some hotels with different prices and styles close to the conference venue could be also selected by attendees.

The room rate is

☆Standard room RMB650/night (including two breakfasts)

☆Single room RMB650/night (including one breakfast)

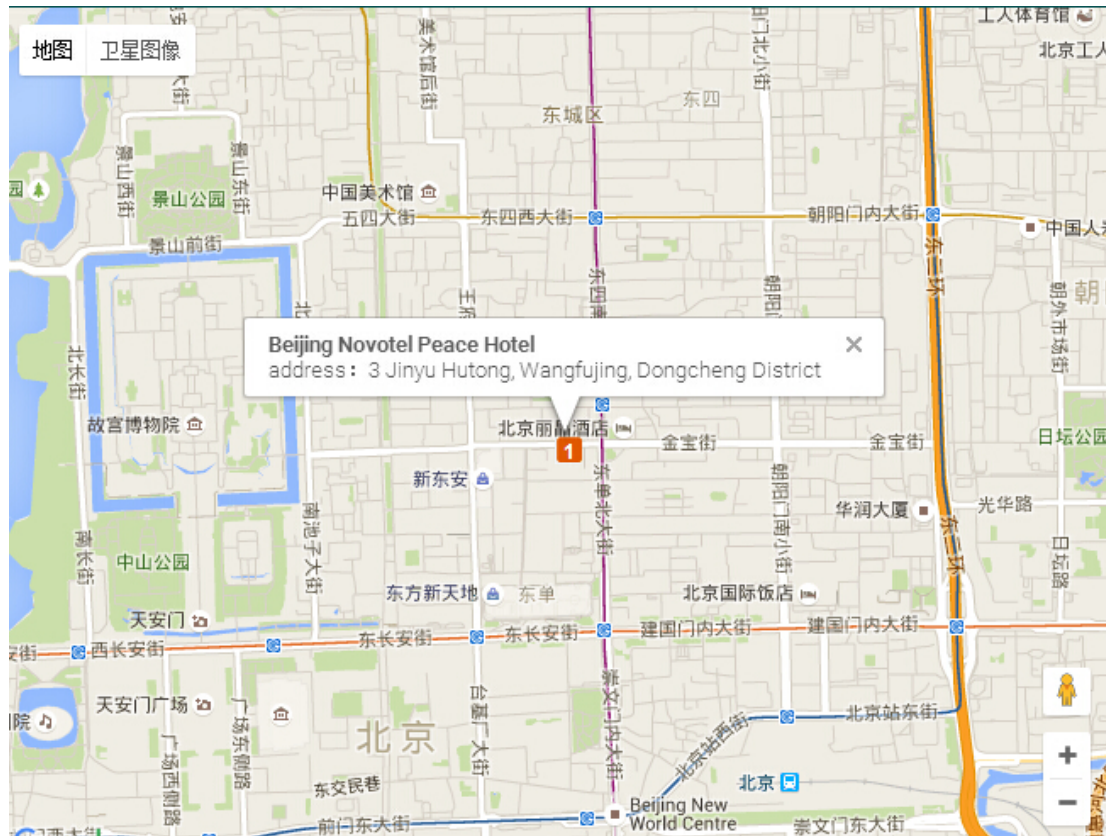

If you wish to reserve accommodation recommended by the conference secretariat, please indicate your order in the registration form. The room fee should be paid to the hotel directly when you check in.

Conference Venue: Novotel Beijing Peace Hotel (★★★★)

Tel: 4000-36-4000(Free)

Address: 3 Jinyu Hutong, Wangfujing, Dongcheng District

Map of the conference venue

Conference Language

Chinese and English simultaneous interpretation

Exhibition Opportunity

As an integral element of conference, the conference will provide advertising board in the conference room.

Size :120*180cm

Fee : RMB10000

The A4 color advertisement in conference proceeding: RMB5000

The A3 color advertisement in conference proceeding: RMB8000

Delegate Registration

The Registration Desk will be opened in the lobby of Novotel Beijing Peace Hotel on September 20th&21st

Registration Fee:USD1000

The registration fee will cover admission to the conference, proceedings, coffee breaks and dinners during the conference.

Method of Payment

1. Bank transfer

Please transfer the registration fee to the following bank account, and specify with “The Second Super Austenitic Stainless Steel and Nickel-base Alloy International Seminar, Attendee’s name/organization”.

A copy of remittance certificate is requested to send to the conference secretariat together with the Registration Form.

Banking information :

Account number: 11190101040000123

Depositor: China Special Steel Enterprises Association

Bank: Dongsì North Sub-Branch, Agricultural Bank of China, Beijing Branch

Bank Add: No.329 Dongsì North Street, Beijing100027, P. R. China

Address: Office 510-514 Main Building, 46 Dongsì Xidajie, Beijing 100010, P. R. China

Swift code: ABOCCNBJ010

Telephone number: 86-10-65230073 86-10-65133322-1510

Contact persons: Mr. Zhensheng Dong Miss Emma Liu

2. Payment in cash at the Registration Desk

**The Second Super Austenitic Stainless Steel and Nickel-base
Alloy International Seminar**

Beijing September 21~22

Registration Form

Company _____

Address _____

Postal code _____ City _____ Country _____

Tel _____ Fax _____

E-mail _____

Delegate Name

Position

Register the Conference

I will attend the conference, please register me as a delegate.

- I would like to pay by bank transfer
- I would like to pay by cash at registration desk

Book the Exhibition Board

- I would like to order _____ advertising boards.

Accommodation

I will attend the conference, please help me to reserve the room.

I will check in on September _____ please reserve Novotel Beijing Peace
Hotel _____ Standard room RMB650, Single room RMB650 for
me
